Research Funding Support**

Application for Research Funding Support

It is the policy of the Mid-Western Cancer Foundation (hereafter known as the Foundation) to support research, and to this end, funding is now available to investigators in the area of cancer research. The Foundation does not provide funding *in toto* for a given project, rather, it aims to provide funding support, i.e. additional funds which may be required for a given project.

Please complete the following in type/block letters and enclose any additional information on the sheets provided, remembering to insert the project title, lead applicant name and date of application on the top of each additional sheet.

Terms & Conditions

- The Mid-Western Cancer Foundation (hereafter known as the Foundation) has a policy of supporting research, provided that that research is cancer-related, and to that end, an agreed amount of funding is currently available to Investigators in Cancer Research.
- Funding is based on receipt of completion of the enclosed research funding application form, giving the fullest details available, including co-applicants, their grade (e.g. Senior Research Fellow, PhD Student etc) costings, and nature of the research.
- Higher priority will be given to applications from researchers based in the Mid-West region.
- All applications will be reviewed by the Foundation and applicants will be notified of the result of their application by post.
- The amount of funding allocated is at the discretion of the Foundation.
- Funding will be for a period of 1 year or for the duration of the research, whichever time-period is shorter, at the end of which a full report detailing the outcome of the research and including a list of presentations and publications arising out of the research, must be submitted to the Foundation.
- Funding is not transferable and may only be used for the project described in the application form.
- The principal applicant shall inform the Foundation of any changes in personnel, where these persons were named as co-applicants to the project.
- In the event of work being discontinued before the expiry of the funding period, immediate notification must be given to the Administrator of the Foundation and any unused funds returned.
- Similarly, funds unused at the end of the funding period must be returned to the Foundation.
- To that end, a detailed statement outlining the use of the funds during the funding period must accompany the full report.
- Any papers, articles or reports concerning research funded or part-funded by the Foundation must acknowledge the Foundation as a source of funds in all publicity and publications.
